~~Yours own~~ Branch<sup>82</sup> has the honour of being the first Canadian Legion to have its own legion standard. The flag was dedicated on Nov. 11, 1932. The ceremony was held in Clark Hall, attendance was so great that hundreds of people could not get into the Hall.

All local clergymen took part in the service, <sup>the</sup> speaker was Reverend Arch-Deacon, A. C. Mac Intosh, Vice President of the Canadian Legion. The ceremony dedicating the flag was conducted by Rev. H. Carle at the finish of the Remembrance Service.

The standard was received by a colour party consisting entirely of 1914 Star men, Sgt. Major Johnson, and comrades Harry Hague and Sidney Belford.
